Premium Commercial License (No Attribution)

If you are a student and have the premium commercial license, there is no need to attribute credits to Clube do Porkinho for any projects that have been made available on the platform and used for commercial purposes. You can use the PSDs in their entirety or create a modified version of the same material for your end client.

Where can you use Clube do Porkinho's PSDs?

- Software and applications.
- Print and digital media (magazines, newspapers, books, cards, labels, CDs, DVDs, films, television, video, email).
- Advertising and promotional items.
- Social media.
- Events and shows.

What you can do:

You have the non-exclusive, non-transferable, and non-sublicensable right to use the licensed material an unlimited number of times in any and all media for the commercial or personal purposes listed above. You can modify and create derivative projects or replicate them in their entirety and sell them to your clients.

What you cannot do:

You cannot create PSD packs composed entirely of Clube's files and commercialize these packs using our main brand or any product we own (Clube do Porkinho, Pig's Design Club, Supreme Pack, Legendary Pack, Creator Pro, etc).
